2. What's your typical reaction to happy or celebratory posts by newly engaged and newly married couples?
3. What is one phrase that sums up your reason for dating?
4. In your opinion, what are some things that make someone dateable?
5. In what ways does understanding why we date affect how we date?

Read: Mark 12:31

6. Mark 12:31a says, "love your neighbor as yourself." what would it look like to date in a "neighbor-centered" way?
7. What is one thing you can do in your current dating life to become more others centered rather than me-centered?
