

Young Adults Small Group Questions // DATEABLE Week 3
2/10/2022

This week's lesson: **WE NEED TO OWN OUR BAGGAGE SO IT
DOESN'T OWN US.**

I. Warming up: (5 min)

- 1. TAKE ATTENDANCE & ADD NEW PEOPLE (1ST & LAST
NAME, ADDRESS, PHONE)**
2. GO OVER GUIDELINES

II. Going deeper: (45 min)

1. What kind of things can produce baggage in people?
2. How can baggage create bad relationships?
3. The speaker defined baggage as "our current issues caused by past events." If you're comfortable sharing, how has a past circumstance or relationship created baggage?
4. What baggage do you feel you are still carrying around?
5. What does it look like to have a healthy dating relationship despite your baggage?
6. What would it look like if baggage didn't dominate your dating life?

Make a commitment to walk with each other. (Get super practical. Don't push people if they are not ready yet. Allow God to tug at their hearts and just love on them!)

III. Share & Pray for each other: (10 min)
