

**Young Adults Small Group Questions // DATEABLE Week 4
2/17/2022**

This week's lesson: **PUT THE NEEDS OF OTHERS BEFORE YOUR OWN.**

I. Warming up: (5 min)

- 1. TAKE ATTENDANCE & ADD NEW PEOPLE (1ST & LAST NAME, ADDRESS, PHONE)**
2. GO OVER GUIDELINES

II. Going deeper: (45 min)

1. What is your worst (best) break up story?
2. Why do you think communication has the power to make or break a relationship?
3. How has technology affected the way you communicate with others? Has it been more helpful or hurtful in your relationships?

Read Philippians 2:3-4

4. What does it look like to value others above ourselves in the way we communicate?

5. The takeaways from this talk were to be present, be curious, be clear, and be honest. Which one do you think you do well and which one do you think you need some improvement?
6. Even if you are not in a dating relationship, what can you do this week to value others in the way you communicate?

Make a commitment to walk with each other. (Get super practical. Don't push people if they are not ready yet. Allow God to tug at their hearts and just love on them!)

III. Share & Pray for each other: (10 min)
