The words in **ORANGE** are known as our **"7 Essentials."** These are essential guardrails as we encourage and equip our people in living out the Vision, Mission, and Process as they mature as a disciple of Christ.

One who is committed to **WALKING IT OUT** where one lives, works and plays - 🦶 **FEET** level

- **FIVE SPHERES**: Growing in, and living out, Spiritual Maturity in every area/sphere of our lives:

- ✝️ • as we **ABIDE** within relationship with Jesus Christ
- 🏛️ • within the **CHURCH** (groups, ministry, family of God, conflict resolution)
- 🏠 • within the **HOME & FAMILY** (spouse, parents, children, singleness)
- 🌍 • within the **WORLD** (employee/employer, hobbies, friends, neighbors)
- 🔥 • within the **SPIRITUAL REALM** (we don't wrestle against flesh and blood, Armor of God)

THE SEVEN ESSENTIALS

1. ABIDE IN CHRIST

Every person in our church will have a personal relationship with Jesus Christ that transforms the way they live in the church, home, and the world.

2. REACH THE LOST

Every person in our church can and does share their faith with those who do not know Jesus, and we celebrate what God has done when people make decisions for Christ.

3. CONNECT THE UNCONNECTED

Every person is connected to Jesus and connected to the congregation as a whole as they consistently worship together on the weekends. That they are connected in intentional relational environments for the purpose of becoming a disciple of Jesus.

4. CHASE THE STRAYS

Every person who has strayed from Christ will be valued, noticed and pursued. (Example: strayed from their relational environment, strayed from the weekend services, etc.)

5. SHEPHERD TOWARDS SPIRITUAL MATURITY

To help our leaders, and those who are in our groups, grow up through the stages of spiritual growth. We want to know where our leaders are spiritually and design trainings and intentional personal time with them on their journey towards spiritual parenthood and in some cases leadership.

6. IDENTIFY, EQUIP & RELEASE LEADERS

We will fulfill the command in Ephesians 4 to equip all God's people for service and release them to be all God has created them to be.

7. FUNCTION AS A TEAM

We will be unified as it states in John 17, and that we will function and work as a team in submission to God's plan as a church.

5 KEY COMPONENTS

5 KEY COMPONENTS OF A DISCIPLE MAKING CHURCH

The Bible alone gives a clear and complete picture of what God wants done (His mission) and how He wants it done (His methods). The following five key components of a disciple-maker are built on a biblical foundation. These are applied as we lead in our HOME, GROUP, and CHURCH.

1. BIBLICAL FOUNDATION:

Our Vision, Mission, Process, and desire to impact the world is rooted in what Jesus did and how God has revealed himself through his Word, the Bible. It is on this foundation that we want to base everything we do. It is through this filter that we want to evaluate what we are to do.

2 Timothy 3:16, 17 (NIV) *All scripture is God-breathed and is useful for teaching, rebuking correcting and training in righteousness, so that he man of God may be thoroughly equipped for every good work.*

2. INTENTIONAL LEADER:

An intentional leader understands that part of their role is to reach the lost, make disciples of Jesus, and create Christ-centered environments where disciple-making can happen. They understand where a person is spiritually and what is needed to help them grow.

3. RELATIONAL ENVIRONMENT:

We believe in the biblical foundation that we are designed to be in relationship with God first and foremost, and secondly we are designed to be in relationship with others.

This is a group of 3-18 people facilitated by a leader who is intentionally modeling spiritual fruit (love, joy, etc.). The people involved are doing life together with a kingdom mindset. The relationships go beyond just the group time. They move from strangers to friendship. These relationships press into areas of privacy, transparency, and vulnerability.

4. REPRODUCIBLE DISCIPLE-MAKING PROCESS:

This is the process for developing people towards Christ likeness. This includes three parts. "MY PART" (the disciple), "THEIR PART" (the disciples), and "GOD'S PART". Leaders understand the 5 stages of spiritual growth. They can identify where a person is spiritually and help them mature and grow at each stage of the spiritual growth process.

5. CHURCH ALIGNMENT:

There are 4 key areas of alignment to equip the Church in its purpose of making disciples of Jesus:

- Relational Alignment
- Philosophical Alignment
- Theological Alignment
- Organizational Alignment

**FOLLOW ME, AND
I WILL MAKE YOU
FISHERS OF MEN.**

MATT. 4:19

STAGES OF SPIRITUAL GROWTH

SPIRITUAL PARENT:

In this stage, the parent has a solid understanding of God's Word and a deep, abiding relationship with the Father. They are living out God's Word in their lives daily. They are others-centered and God-dependent. They are able to reproduce mature disciples of Christ by inviting others to follow them as they follow Christ.

TRAITS:

They are mature disciples of Jesus, but continually growing and developing in their personal relationship with God and as a disciple of Jesus Christ. They are skilled at assessing where others are in the discipleship process and getting personally involved to help them grow and develop. They understand their role as one who needs to intentionally invest in others -- making disciples who can make disciples. They are becoming a coach who develops other players/leaders.

PHRASES THEY MIGHT SAY...

"I'm taking Steve with me the next time I visit Bob in the hospital to help him learn how to minister to others."

"I have a couple good potential leaders in my home group that I'm going to personally invest in."

"Larry is a fine home group leader, and he has really matured in his faith. I'm going to ask him to pray about becoming a coach."

SPIRITUAL YOUNG ADULT:

In this stage, people are making a big shift from being self-centered to more others-centered. They're beginning to understand their role as a giver, rather than a taker. They are ministering to others, and putting others first. They are being doers of the Word.

TRAITS:

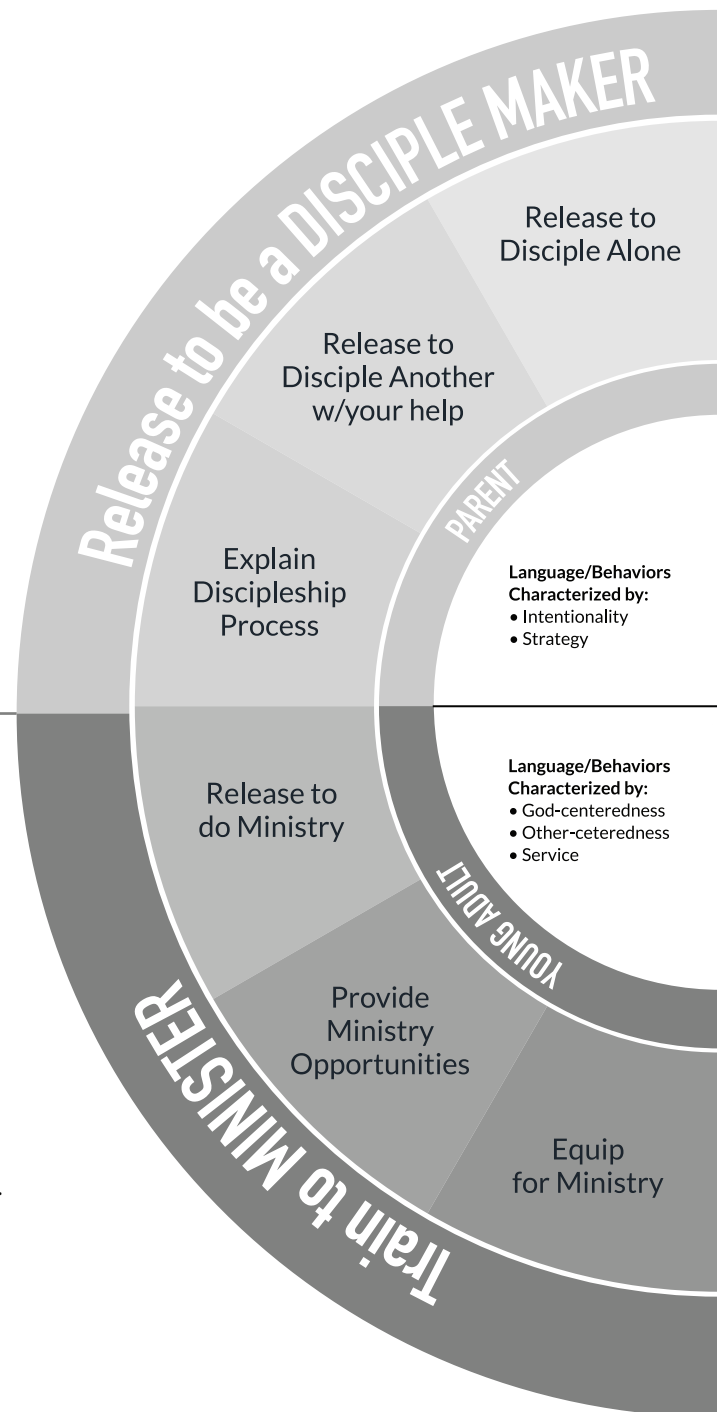

They are being less self-centered and more others-centered. They are beginning to see themselves as ministers. They are tithing and giving of their time from a place of thankfulness and love. They understand the Kingdom purpose of branching their small group.

PHRASES THEY MIGHT SAY...

"I'm going to visit Bob in the hospital tonight rather than going to the movies."

"I'm serving in the nursery so that parents can attend service."

"I need to branch my small group, but no one else is ready to lead."

STAGES OF SPIRITUAL GROWTH

SPIRITUALLY DEAD: People in this stage have not yet accepted Christ as their Lord and Savior. They may completely reject God, or they may be seeking God. They may be “spiritual,” and they may even claim to know God or be a Christian. In reality, they are their own god.

TRAITS:

- They are broken. (aware or unaware)
- They are lost and unaware of it.
- They are living out their feelings.

PHRASES THEY MIGHT SAY...

- “I believe there are many ways to heaven.”
- “I’m a good person.”
- “I think there may be a higher power.”

SPIRITUAL INFANT:

In this stage people have accepted Christ, but haven’t moved much past that point. They can be new believers, or they might be stagnant, long-time Christians. Life is generally all about them and their needs.

TRAITS:

- They are the lord of their life.
- They are confused about what truth is or they are beginning to learn the truth.

PHRASES THEY MIGHT SAY...

- “Christians are hypocrites.”
- “I’m a good person, a loving God would never send me to hell.”
- “The Church just wants my money!”
- “I’m too busy for a small group.”

SPIRITUAL CHILD:

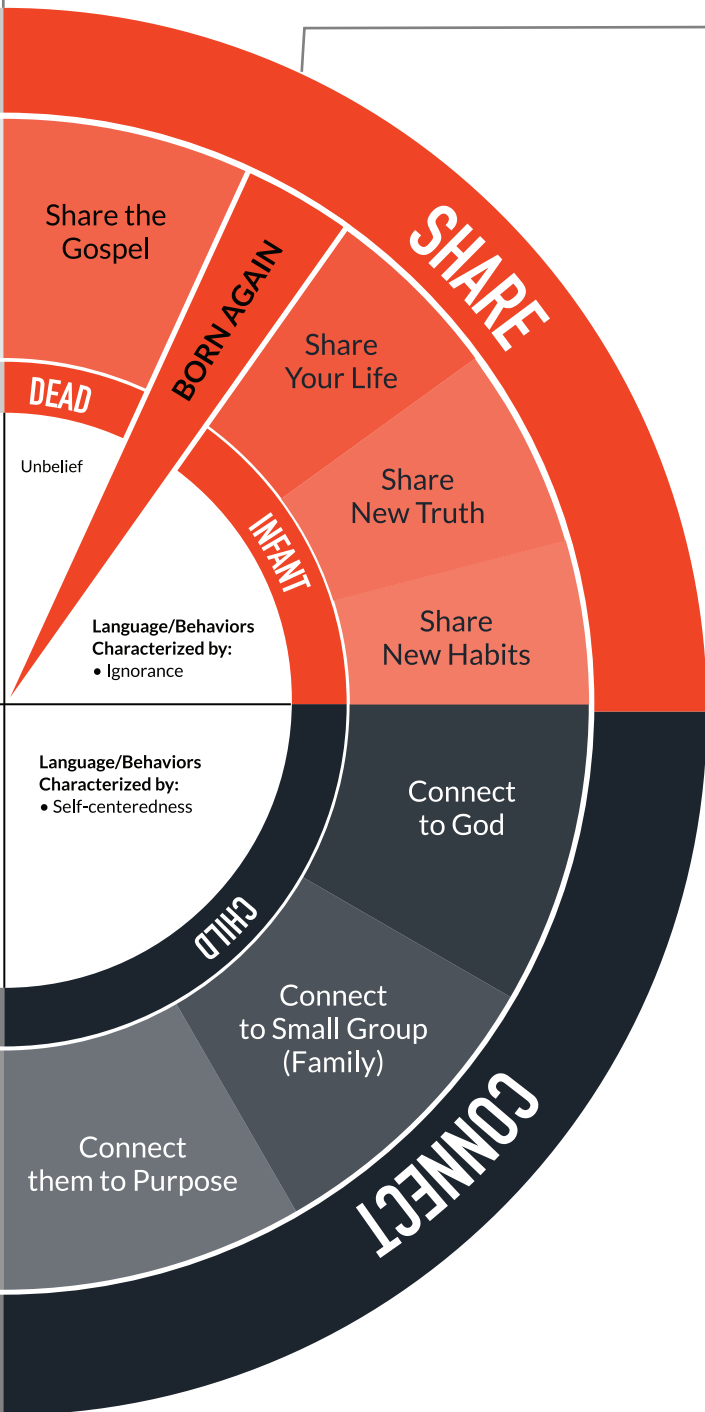

In this stage, people are growing in their relationship with God, and are also beginning to grow in their relationship with other Christians. They are applying God’s Word in their lives and allowing others to walk beside them in their journey following Christ. However, it’s still mostly about them -- their needs, comfort, etc.

TRAITS:

- They are growing in their relationship with God.
- They are building relationships with other believers.
- They are developing habits of Bible study and prayer.
- They are plugging into relational environments for the purpose of discipleship (small groups).
- They are giving of their time and money.

PHRASES THEY MIGHT SAY...

- “I love my church because I feel like I belong.”
- “My small group is great. They make me feel welcome.”
- “I’m upset about having to branch our small group. I just started making friends.”

GROUP LEADER PREP GUIDE

BEFORE GROUP: Your role as a leader before group starts

- Read through the curriculum and discussion passages.
- Be aware of what God is showing you personally.
- Pray for your group members. What do you see God doing in each of them?

- **ANNOUNCEMENTS:** Be sure to make announcements that would benefit your group members. Also, use this time to give any announcements that are specific to your Life Group. You can find church announcements in a few places:
 - The Real Life Ministries App
 - The Digital Bulletin (*linked each week on your attendance text reply from Real Life*)
 - Website

AFTER GROUP: Your role as a leader after group

- Input Group attendance in Rock
- Who am I intentionally praying for this week?
- What needs can I or others meet?
- Do I need to have a follow up conversation with someone from group this week?
- Who was absent from group or from service?
- Where are your people at in the Stages of Growth?
 - What is your part in helping them grow?

THE GAME PLAN

The Game Plan gives you a road map to follow in your Group.

- It gives you a plan that ORGANIZES your curriculum, fun/relational events, breakouts and weeks that you might be off due to holidays etc.
- The people in your Group will have a calendar and know what to expect.

MEN/WOMEN BREAKOUTS

- At least once a month, plan to break out into same GENDER groups.
- Review your curriculum in advance to see what weeks would be most beneficial to a breakout and make those a part of your Game Plan.
- Communicate with your men and women breakout leaders head of time, when you are planning to do a breakout during Group, so that they are PREPARED. (*This is critical - don't tell your wife in the car on the way to group that night!*)

WELCOMING NEW GUESTS

Intentional leaders create Christ Centered Relational Environments where strangers become friends and Disciple-making can happen. As new guests are placed or invited into our groups, it is important to keep in mind that if relationship is established from the beginning, the guest's likelihood of returning increases exponentially. If we are willing to be flexible and set aside our own/group agendas, we can help our new guests to feel welcomed, comfortable and included.

INVITE (BEFORE GROUP)

- Begin with an encouraging and helpful phone call inviting them to group
- Explain to new guest what happens on a typical group night, including start and stop times
- Bring the new guest up to date on what curriculum the group is currently going through, prior studies and any upcoming events

DURING GROUP

- Upon arrival, be welcoming and friendly. Offer coffee/beverages, snacks (if applicable), and point out where the bathroom is located.
- Open group in prayer.
- Have each member of the group introduce themselves. Include name, family, job and/or hobbies.
- Have new guest do the same.
- Read group guidelines.
- Play an icebreaker game, or choose 3-5 icebreaker questions from page 16.

FOLLOW-UP (AFTER GROUP)

- Call new guest within 2-3 days to check up on them, ask if they have any questions about the group, and let them know that you are looking forward to seeing them again next week.

BASIC GROUP GUIDELINES

Though we call these Basic Group Guidelines, these are also essential in all relationships and environments. These should be observed whether in a 1-on-1 conversation or in a group discussion.

- Guidelines give boundaries for people to operate within.
- They help with the flow and pace of the discussions.
- They help us value one another.
- They help people to be more comfortable sharing deep and meaningful things.

THIS IS A SAFE GROUP

Confidentiality is key, what is said in the group stays in the group. Be aware how you are affecting the environment: words, actions, and non-verbal communication. This needs to be a place where people feel comfortable opening up and sharing.

NO CROSSTALK

Be considerate of others as they are sharing. No side conversations, checking phone, responding to text or email, etc.

LISTEN

Let's value one another by listening to what is being shared. Allow a pause after someone shares to allow them to finish and others to consider what was said. Eye contact and body posture play key roles in creating a positive or negative group environment.

NO RESCUING OR FIXING

We are not here to fix each other, Jesus does that part. Avoid the tendency to rescue when someone is struggling to get the words out or shares a struggle or conviction.

USE "I" STATEMENTS

It's easy to talk about the issues of others or respond with "we", "us", "the church". But for us to grow as disciples and build relationship we want to use "I" statements.

DON'T OVER-TALK

We want to create time for all members of the group to participate in the discussion. Be careful not to always be the first responder or regularly give long responses.

FIGHT FOR RELATIONSHIP

It's not 'if' conflict or hurt feelings will happen, but 'when'. We commit to fight for relationship with each other. Go to that person and share your struggle or seek wise advice if you are not sure how to handle the conflict.

TIPS FOR ASKING GREAT QUESTIONS

GENERAL QUESTIONS: The following questions are examples that will help you have a base to begin with and will give you ideas for developing your own questions.

 *Be intentional to ask all four types of questions (head, heart, hands and feet) as you lead your discussion.*

HEAD: These questions help us to examine what the word shows.

- What do you see God doing, saying, or showing about himself?
- Who are the people and what is going on with them?
- What stands out to you in this passage?
- What do you think the main point is?
- What does this show us about _____? (You can fill in the blank with - God/man/or the topic of discussion such as worship)

HEART: These questions help us wrestle with what we believe.

- What do you see about yourself?
- Have you known anyone who is an example of this?
- What has it looked like when you have or have not known/believed/lived this in your life?
- What questions does this raise for you?

HANDS: These questions help us bring truth and beliefs into our everyday realities

- What is one way you can apply this truth to your life this week?
- What are you challenged to think/believe/do differently because of this passage and our discussion?
- How can you use this to disciple others?
- How does this impact you? Your relationship with _____? (Fill in with - family, fellow believers, work-place or community)

FEET: These questions help us understand how to apply what we are learning as we grow in Spiritual Maturity where we live, work, and play (The 5 Spheres).

- How does what I'm learning apply to the Abide Sphere
- How does what I'm learning apply to the Church Sphere
- How does what I'm learning apply to the Home & Family Sphere
- How does what I'm learning apply to the World Sphere
- How does what I'm learning apply to the Spiritual Realm Sphere

FOLLOW UP QUESTIONS: Asking a question after hearing someone's response helps people process and gives everyone better understanding.

 *Follow up questions come from a heart of being interested, curious and seeking to understand and draw out. They are not intended to grill or corner people.*

- What has brought you to that understanding?
- What would be an example?
- Explain a little more.
- What might be another way to look at it?
- How does _____ affect _____?
- What does _____ mean?

ACTIVE LISTENING SKILLS

BE AN ACTIVE LISTENER

- Listening **VALUES** people but active listening lets them know that you heard and understood what they're saying.
 - *Husband and wife example: husbands might listen to their wives but not actually understand them.*
 - Are we **CURIIOUS** enough about our people to use active listening to show we value them?
- **Body Language:** There are some body positions that show you to be listening and engaged as a Leader and some that show that you are not.
 - *Look around the room. Everyone, for the most part, has a little different body language but all of it is saying something.*

Model this:

- **Eye Contact:** Gives permission to speak, therefore you might want to sit directly across from the under-talker. Sit next to the over-talker because you don't need to make eye contact with them.

Ask a question and then look at someone in the room directly until they answer. Then ask why did they answer?

- **Paraphrasing:** This technique verifies that you are listening and gives the opportunity for verification or correction.

Model this, have Derek paraphrase back everything you say.

- **Bridging:** Connecting 2 things they've said either from that evening or from previous groups.
- **Silence:** What type of silence are you dealing with, counting ceiling tiles vs. Holy Spirit silence? Watch THEIR body language.

Tell about asking a question in your group and someone, after awkward silence asking "I don't understand what you're asking." How many of the rest of you don't understand the question?

- **Rabbit trails:** When someone, other than the person talking, starts to rabbit trail it can spin out of control totally losing the original trail that person was on. This makes the original speaker feel totally devalued.
- **Appropriate Transparency:** It is good to be transparent to either validate what someone else has said or to get the conversation started. Inappropriate transparency goes too far and shares too many personal details that aren't needed or wanted.
- **Discernment:** A Leader needs to be constantly discerning as they are listening. Sometimes things need to be addressed on the spot when something is shared and sometimes it is better to take up the subject in private after group.
